HoReCa

Unione Garante Produttori

Since 1988

- [illegible]

1. 2. 3. 4.

- Since we introduced in 1994, we have been producing with passion and bringing flowers together with the world.
- By exporting flowers from 100 countries, we operate as a global work.
- With more than 1000 product varieties, we cover the 40/60 ratio, indoor and greenhouse production.
- The most complete range available by producing our products with 100% automatic, worldwide flow.
- Our production facilities are equipped with a total capacity of 100 flowers (per day), 100 flowers (per week) and 100 flowers (per month).
- Our entire facility is equipped with industry 4.0 infrastructure, we develop innovative solutions and integrate the flow with production.
- We control the entire production process, from the initial concept to the final product.
- At every stage of production, we adhere to international quality standards.
- Our ISO 9001 and ISO 14001 certification is a testament to our commitment to food safety and quality.
- Our research and development department has a strong background in product development and innovation.
- With our human resources approach, we provide decent working conditions and contribute to economic growth.
- Since 1998, we have continued to create a future that brings the world with the same commitment, enriched with

THE WORLD GOES DARK AN ECLIPSE HAS BEGUN

I is a single drop. The light fades.
A sacred silence falls.

This is no ordinary flavor.
Just an eclipse in a bottle.

FDI Premium Eclipse Sauce is
crafted for those who dare to
step beyond the known.

Its flavor is built on contrast:
dark on the outside, soft within.

A taste born of shadow and light,
mysterious and unforgettable.

THIS IS THE TASTE OF THE ECLIPSE.
THIS IS THE MOMENT THE WORLD GOES DARK.
DARE TO POUR THE DARKNESS.
LET THE ECLIPSE BEGIN.
